### PARENTS RIGHT TO KNOW UNDER NCLB

July 20<sup>th</sup>, 2017

We trust your child has had a great start at Cedar Vale USD #285. We are looking forward to working with you and your child this school year. This letter is regarding the No Child Left Behind Section 1111, which states, in part, that parents have the right to request and receive information regarding the qualifications of teachers. This letter is to make you aware of your right to this information. You have the right to request information about the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Should you request the information above from the school principal(s), you will receive a timely reply. Thank you for your time and cooperation. Please remember that your support is especially important to us and that you are always welcomed at Cedar Vale Schools. If you would like to schedule a teacher or classroom conference, please make prior arrangements through the teacher and/or office. You may access your child's information through our parent goeudstar at [www.cvs285.net](http://www.cvs285.net). To set up your account, please contact Angie Warburton at 620-758-2791. You may review our annual KSDE Report Card through [www.ksde.org](http://www.ksde.org).
